The following is an examiner's statement of reasons for allowance:

An electric cooking apparatus including a body member, a container, and a control module operable to control the operation of the apparatus wherein the body member, the container and the control module are releasably engageable with one another, wherein the container and the control module each includes a respective engagement member which are complementary with and releasably engageable with each other, and wherein the control module is locked against movement from the body member when the body member, the container and the control module are engaged with one another is not taught nor fairly suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Timothy F. Simone whose telephone number is 703-308-1277. The examiner can normally be reached on weekdays between 8:00am-5:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Milton Cano can be reached on 703-308-3959. The fax phone numbers for the organization where this application or proceeding is assigned are 703-872-9306 for regular communications and 703-872-9306 for After Final communications.
